

# Rehab Your Way

## Customized Therapy Solutions for Your Facility

**At Reliant Rehabilitation, we know every community is unique.**

That's why we offer **Rehab Your Way**, a fully customizable therapy program tailored to your facility's specific needs. From full-service outsourced therapy to management solutions and consulting, we're here to support you—your way.

### Our Services:

#### **Full-Service Outsourced Therapy**

We manage all therapy operations, including staffing and compliance, providing top-quality physical, occupational, speech, and respiratory therapy.

#### **Full Service Flat Fee Hybrid Model**

Maintain operational control while sharing risk for added protection.

#### **Management Model**

Retain control while benefiting from our expertise. We assist with strategic oversight, staffing, and program development, enhancing your in-house services.

#### **Consulting Services**

Get expert help with case management, MDS support, and regulatory compliance to maximize reimbursement and improve clinical outcomes.

---

### Why Choose Reliant?

#### **Customized Solutions**

Tailored services to meet your community's needs.

#### **National Expertise, Local Focus**

Combining nationwide strength with local adaptability.

#### **Comprehensive Services**

From therapy to management support, we provide what you need to succeed.

#### **Seamless Integration**

Our professionals work closely with your staff for a smooth partnership.

---
